ABOUT SARI CONSULTING

Smart Advisory Rapid Innovation (SARI) Consulting and Training is a leading provider of customized solutions aimed at helping organizations achieve sustainable growth.

SARI offers consulting services and training programs in business management and information technologies tailored to address the specific needs of each client.

SARI stands out for its commitment to excellence and collaborative approach, working closely with clients to analyse their current situation, identify areas for improvement, and develop strategies for impactful change.

Additionally, SARI has international memberships and partnerships with prestigious organizations such as EFQM, GInI, and WFSF.

SARI invites organizations to partner with them to unlock their full potential, overcome challenges, and seize opportunities for transformative growth.

SARI CONSULTING BUSINESS MODEL

SARI Consulting: Your partner for innovative consulting and training solutions in business management and IT. We specialize in strategic planning, future foresight, innovation management, driving efficiency and success.

RISK & KNOWLEDGE & SUSTAINABILITY MANAGEMENT SERVICES

Organizations have to ensure that they have processes and systems in place which comply with quality, health and safety, environmental management, corporate social responsibility and other areas of sustainable development. Risk management is important in the organization because without it the organization cannot set its future goals. Knowledge management is necessary because it boosts the efficiency of an organization's decision-making ability.

We at SARI Consulting offer clients with Risk & Knowledge & Sustainability Management Services encompassing:

Knowledge Management Services

- Knowledge Audit & Assessment.
- Knowledge Management Strategy.
- Knowledge Capture and Documentation.
- Knowledge Sharing Platforms & Technologies.
- Knowledge Transfer and Succession Planning.

HUMAN RESOURCES & TALENT MANAGEMENT SERVICES

The performance of any organization depends indispensably on the human capital and the organizational structure that combines and develops the skills of all the interacting individuals. The employees that work in any organization are the only resource that can enable all strategies to be applied correctly and the only factor that can grow the value of the firm's offerings in the market.

We at SARI Consulting offer clients with Human Resources & Talent Management services encompassing:

INDIVIDUAL CAPACITY BUILDING & TRAINING SERVICES

Training and development play an important role in the effectiveness of organizations and to the experiences of people in work. Training has implications for productivity and personal development. We achieve the capacity building and development among different ways including training courses, orientation sessions, workshops, brainstorming sessions, and on-job training, This will be through the on-site training (Physical) or online training (Virtual) using the latest virtual platforms.

We at SARI Consulting offer clients with Individual Capacity Building & Training services encompassing:
